Resource Hooks

Hook Delete Policy

Policy	Description
<code>HookSucceeded</code>	The hook resource is deleted after the hook succeeded (e.g. Job/Workflow completed successfully).
<code>HookFailed</code>	The hook resource is deleted after the hook failed.
<code>BeforeHookCreation</code>	Any existing hook resource is deleted before the new one is created (since v1.3). It is meant to be used with <code>/metadata/name</code> . This is the default deletion policy.

```
spec:  
  ttlSecondsAfterFinished: 600
```
